

Equip Ergonomic Office Chair with Headrest and Armrests, Black

Model: 651053

Manufacturer: EQUIP

EAN: 4015867238646

Product Code: 1643480

R9,556

The Ergonomic Premium office chair with headrest and armrest is designed for superior comfort and support, ideal for those who spend long hours working at a desk. Its 4D headrest is adjustable in multiple directions, allowing users to customize their neck support for optimal posture. The chair features a nylon mesh upholstery that promotes breathability, keeping the user cool and comfortable throughout the day.

The backrest is constructed from a durable aluminum and plastic frame, equipped with a synchronous adjustment mechanism that offers four locking positions. This allows for smooth reclining and lockable support at various angles. The seat height can be easily adjusted using a TUV Class 4 gas lift, providing a range of 100mm.

Multi-adjustable lumbar support ensures that the lower back is well-supported, reducing the risk of discomfort. Additionally, the chair rolls smoothly on 60mm PU wheels with pressure lock,

complemented by five extra rubberized wheels for added stability. The robust 350mm iron chrome
