

Canon AS-120 II calculator Desktop Display Black

Model: AS-120II

Manufacturer: CANON

EAN: 4549292108538

Product Code: 1643822

R844

The AS-120 II is a desktop calculator with a 12-digit upright angled display. It also supports mark-up and reverse functions. The impressive grand total memory function means your complex calculations are made easy by saving up the subtotals after each calculation and computing the accumulated totals with a single touch. Some parts of the AS-120 II calculator have been manufactured from recycled Canon product material.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
