R1,252

When drive manufacturers test their products, they use Verbatim media. It's the global No.1 for a reason – guaranteed quality!

Due to the extensive research and development undertaken over the past 50 years, Verbatim is able to provide the highest quality discs which ensure that all your data will be safely stored and will last a lifetime.

Long Lifetime

Optical discs provide the best solution for long-term safe and secure storage of your important files - ideal for all your precious photos, videos and documents that you want to keep forever. They are dust and water resistant and can withstand wide changes in temperature and humidity.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Extra Protection

The white surface on these CDs provides extra protection for the label side of the disc. This coating can be written on with a CD/ DVD marker pen.
