R932

When drive manufacturers test their products, they use Verbatim media. It's the global No.1 for a reason - guaranteed quality!

Due to the extensive research and development undertaken over the past 50 years, Verbatim is able to provide the highest quality discs which ensure that all your data will be safely stored and will last a lifetime.

Long Lifetime

Optical discs provide the best solution for long-term safe and secure storage of your important files - ideal for all your precious photos, videos and documents that you want to keep forever. They are dust and water resistant and can withstand wide changes in temperature and humidity.

AZO Technology

AZO is patented technology used exclusively by Verbatim. It provides the ultimate resistance to UV light for increased protection and reliability.

Crystal Technology

The tough, clear coating on these CDs provides increased surface protection against scratches and accidental damage, without affecting the recording quality.
