Equip 17"-35" Gaming Dual Monitor Desk Mount

Model: 650191

Manufacturer: EQUIP

EAN: 4015867243046

Product Code: 1645242

R2,372

The 17"–35" Gaming Dual Monitor Desk Mount is designed to elevate gaming and productivity setups by providing stable, flexible support for two monitors. Compatible with screens ranging from 17" to 35", this mount supports most flat and curved monitors with standard VESA mounting patterns, making it ideal for immersive gaming, streaming, content creation, and multitasking environments.

Built with a robust steel and aluminum structure, the dual monitor mount ensures excellent load capacity and long-term durability, even when supporting larger gaming displays. Each arm operates independently, allowing precise adjustment of height, tilt, swivel, and rotation to achieve optimal viewing angles. Both portrait and landscape orientations are supported, giving users full control over their screen configuration.
