Equip 37"-86" No Drilling TV Wall Mount Bracket

Model: 650364

Manufacturer: EQUIP

EAN: 4015867243886

Product Code: 1645258

R980

The 37"–86" No Drill TV Wall Mount Bracket offers a secure, practical, and installation-friendly solution for mounting large flat-panel TVs without damaging your walls. Designed for users who want a clean setup without permanent modifications, this bracket eliminates the need for drilling while still providing excellent stability and load support. It is ideal for rental apartments, offices, hotels, and any environment where wall integrity must be preserved.

Compatible with most 37" to 86" flat-screen TVs, the mount supports a wide range of VESA patterns and accommodates modern LED, LCD, and OLED displays. The robust steel construction ensures long-term durability and reliable performance, even with larger and heavier screens. A low-profile design keeps the TV close to the wall, delivering a sleek, space-saving appearance that blends seamlessly into modern interiors.
