

LogiLink NP0017 patch panel

Model: NP0017

Manufacturer: LOGILINK

EAN: 4052792041415

Product Code: 1646978

R992

Compact small distribution panel for wall or table mounting. Ideally suited for the transmission of digital and analogue voice, video and data signals in Class E (250 MHz). In conjunction with the respective appropriate data cables is this patch panel suitable for Fast and Gigabit Ethernet applications, as well as Power over Ethernet.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
