Elegant coffee grinder for precision grinding and the perfect aroma

Burr grinder

The 2 grinding wheels prevent overheating, so the full aroma of the beans is preserved. The upper grinding wheel is removable for easy cleaning.

18 grind settings

The 18 settings on the adjustable grinding wheels allow total control over the grinding level for truly customised coffee powder.

LCD display interface

The LCD screen displays the grind settings, the number of cups and the desired aroma, giving you full control over your coffee maker's functions.
