Super simple setup

USB and cable-based installation mean large rooms are ready in a fraction of the usual time, with no programming required.

Full room audio and visual coverage

Multiple cameras and room-filling extension audio capture every angle and every voice clearly.

Natural meeting experiences

AI-powered video tracks the conversation, while Picture-in-Picture shows the active speaker and the full room.

Easy device management

Manage all meeting rooms remotely and securely via Jabra Plus.

Flexes with your needs

Add cameras for a more immersive experience or for awkward room layouts.

Secure by design

Built on Microsoft Device Ecosystem Platform (MDEP) for enterprise-grade security and future-ready performance.
