The Equip 650606 helps create customized and hidden solutions for TV viewing. The top panel of the cabinet can be mounted to the stand that seals the box when the lift lowers – which saves space while maintaining a minimalist, uncluttered look. The high-quality motor provides an automatic lift function with just the press of a button, and this smart device features an anticollision function as well, to keep your television safe. The convenient RF remote allows operation through walls and at distance from the TV.
