Equip 50"-90" Mobile TV Trolley with Pegboard Shelf

Model: 650635

Manufacturer: EQUIP

EAN: 4015867243008

Product Code: 1647868

R3,740

The 50"-90" Mobile TV Trolley with Pegboard Shelf is a versatile and durable display solution designed for offices, classrooms, exhibition halls, and commercial environments. Compatible with large flat-panel displays from 50 to 90 inches, it supports VESA mounting patterns for a wide range of TVs and monitors. The sturdy steel frame ensures stability and safety during movement, while the integrated pegboard shelf provides convenient storage and organization for accessories, media players, or presentation tools.

Equipped with heavy-duty lockable casters, the trolley can be easily moved and securely positioned in any location. The height-adjustable mounting brackets and cable management system help maintain a clean and professional setup. Ideal for interactive presentations, digital signage, or collaborative meetings, this mobile TV stand combines flexibility, mobility, and functionality—offering a practical, all-in-one solution for modern display needs.
