Equip 37"-70" Economy TV Trolley

Model: 650636

Manufacturer: EQUIP

EAN: 4015867243015

Product Code: 1647877

R2,699

The 37"-70" Economy TV Trolley is a practical and cost-effective solution for mounting and displaying flat-panel TVs or monitors in offices, classrooms, conference rooms, or trade shows. Supporting screen sizes from 37 to 70 inches, it accommodates most VESA-compatible displays with ease. The sturdy steel construction provides stable support, while the smooth-rolling lockable casters ensure effortless mobility and secure placement anywhere you need.

Featuring adjustable height and a tilt function, the trolley allows users to achieve the optimal viewing angle for presentations, meetings, or digital signage applications. The integrated cable management system keeps wires neatly organized, maintaining a clean and professional appearance. Simple to assemble and easy to move, this economy TV trolley delivers excellent functionality and value—making it an ideal choice for businesses and educators seeking a reliable, mobile display stand that combines durability, flexibility, and affordability in one streamlined design.
