

Equip Cat.6A RJ45 Pass Through Plug, 100pcs/Set

Model: 121174

Manufacturer: EQUIP

EAN: 4015867244302

Product Code: 1648311

R962

The Equip 121174 Cat.6A RJ45 Pass Through Plug is built for fast, accurate, and reliable termination of Cat.6A Ethernet cables. Its pass-through design allows conductors to be inserted through the connector and out the front, enabling installers to easily verify correct wiring order before crimping, reducing errors and improving installation efficiency.

Supporting Cat.6A performance, this 8P8C UTP connector is suitable for 24-27 AWG cables with a maximum cable diameter of 6.5 mm and maximum insulated wire diameter of 1.2 mm. It ensures stable 10 Gigabit Ethernet connections for professional networking.

Supplied in a 100 pcs/pack, this pass-through plug is ideal for creating custom-length Cat.6A patch cables in data centers, office installations, and high-bandwidth structured cabling environments.
