

Conceptronic EMRICK 4-Port SATA PCIe Adapter with SATA Cables

Model: EMRICK03G

Manufacturer: CONCEPTRONIC

EAN: 4015867226735

Product Code: 1648326

R1,311

This 4-Port SATA PCIe Adapter uses the high performance chip (Marvell 88se9215) to extend 4 SATA Ports. Each Serial ATA port supports transmission speeds up to 6Gbps, and has backward compatibility to legacy SATA 1.5Gbps or 3Gbps drives.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
