R1,121

The Foldable Swivel Tablet Stand is designed to deliver a comfortable and versatile viewing experience for both work and entertainment. Adjustable height and angle settings allow you to position your device for optimal ergonomic comfort, helping reduce neck and eye strain during extended use. A 360° rotating base enables smooth and flexible viewing adjustments, making it ideal for calls, presentations, creative tasks, and everyday browsing.

Constructed with durable aluminum, the stand provides reliable stability while promoting efficient heat dissipation for tablets and smartphones. Anti-slip pads keep your device securely in place and prevent unwanted movement on smooth surfaces. With wide compatibility for a broad range of
