

Marmitek RESQ 100 - Wind-up radio

Model: 25008643

Manufacturer: MARMITEK

EAN: 8718164536441

Product Code: 1648853

R1,992

Always music and information

The **RESQ 100** is a wind-up radio that gives you access to radio and music everywhere. Store up to 40 favorite stations via DAB+/FM or stream your own music via Bluetooth.

Power in multiple ways

The built-in 4500 mAh battery can be charged via USB-C, the solar panel or the hand crank. For extra security, you can also use three AAA batteries as a backup. This way you always stay connected.

Light and safety

With the dimmable flashlight and reading light you always have lighting at hand in any situation. Activate the SOS button to immediately trigger light signals and a siren.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
