

FRITZ! Smart Thermo 302 Suitable for indoor use

Model: 20003120

Manufacturer: FRITZ

EAN: 4023125031205

Product Code: 1648972

R2,482

Save heating costs and heat efficiently

Saving heating costs with increased convenience? The smart FRITZ!Smart Thermo 302 radiator control is a win-win: Specify your desired temperature and a cool-down temperature for a room and create a schedule tailored to your individual needs. This way you'll not only save energy, but reduce heating costs by up to 10 percent.

Convenience from anywhere

Adjusting a temperature, enabling the boost mode briefly for fast heating, or changing a schedule? That's easy with the FRITZ!App Smart Home – at home and on the go.

Simple assembly and easy group switching

FRITZ!Smart Thermo 302 is assembled on most radiators in just a few easy steps. Start convenient configuration on your smartphone with the FRITZ!App Smart Home. If desired, you can combine multiple FRITZ! radiator controls into a single group, for instance, for joint control of all radiators in the living room.

Automatic updates, support and data security: FRITZ! has got it

Your FRITZ!Smart devices receive regular automatic updates with new functions and improved security. FRITZ! means something special: FRITZ!Smart Thermo 302 comes with long product maintenance. Automation and the control of the FRITZ! Smart Home are performed with the FRITZ!Box; if desired, access from on the go is possible, for instance with the FRITZ!App Smart Home.
