Enhance productivity with the IM C401F, designed for speed, efficiency and ease of use. Print at an impressive 40 pages per minute, reducing wait times and keeping workflows smooth. Enjoy rapid scanning at up to 80 images per minute (duplex), ensuring seamless document processing while 6GB RAM enables effortless multitasking. With built-in Wi-Fi, users can print and scan wirelessly from anywhere in the office, improving flexibility and convenience in daily operations.

Energy-efficient and eco-friendly design

Reduce your environmental impact with the IM C401F. This all-in-one consumes low energy, with a TEC range of just 0.47kWh reducing power usage. It includes a reduction in plastic packaging for the mainframe to minimise waste and uses up to 13% post-consumer recycled materials (mainframe) to support a circular economy. Plus, the IM C401F is certified with the Blue Angel Mark, one of Europe's highest environmental sustainability labels.

Intuitive control at your fingertips

Experience seamless device interaction with the 10.1-inch Smart Operation Panel. Its user-friendly interface simplifies navigation and streamlines workflows for enhanced productivity. Designed for efficiency, the panel provides quick access to essential functions, ensuring a smooth and intuitive printing experience. Elevate your workplace with smarter, more accessible technology.

Always-on security

The IM C401F is built with robust security features to safeguard your sensitive information. Equipped with Trusted Platform Module (TPM) 2.0, it encrypts critical data and protects against cyber threats. RICOH Always Current Technology ensures your device stays up to date with the latest security enhancements and firmware updates, providing continuous protection against emerging risks. With advanced authentication and secure printing options, you can confidently manage your document workflows with maximum security and peace of mind.
