Lindy 1m Thunderbolt 5 Cable, 80Gbps, Passive

Model: 31130

Manufacturer: LINDY

EAN: 4002888311304

Product Code: 1649612

R1,803

The Lindy 1m Thunderbolt 5 Cable provides the full Thunderbolt 5 specification with data transfer rates up to 80 Gbps in bi-directional mode, and up to 120 Gbps in Bandwidth Boost mode. It is backwards compatible with previous Thunderbolt versions and USB standards. It supports connecting multiple 8K displays, three 4K UHD displays at 144Hz, or a single display at up to 540Hz in Full HD for stunning contrast and color depth.

This cable is Thunderbolt certified and can provide up to 240W of power to Thunderbolt 5 and USB Type-C devices using the most efficient power delivery profiles. It utilizes the latest PAM-3 signaling technology to achieve these high speeds even with existing connectors and passive cables up to 1 meter in length.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
