laptop for improved posture and airflow.

Equipped with dual HDMI outputs supporting up to 4K 60Hz, it enables high-quality visuals for single or dual display setups. MST support on Windows allows extended desktop configurations, enhancing productivity across multiple screens. The integrated Gigabit Ethernet port delivers stable wired network performance, while USB 3.2 Gen 1 ports provide fast data transfer speeds up to 5Gb/s for your essential peripherals.

With USB-C Power Delivery pass-through up to 100W, you can charge your laptop while using the dock, ensuring uninterrupted performance. The stand features 5 adjustable height levels for optimal ergonomic positioning, while the durable aluminum construction enhances heat dissipation. Anti-slip pads keep your device secure, making it an ideal all-in-one solution for efficient and comfortable working environments.
