

Conceptronic CUSTODIO02BSM Keyed Laptop Lock, Standard Security Slot, Master Keyed Compatible, 1.8m

Model: CUSTODIO02BSM

Manufacturer: CONCEPTRONIC

EAN: 4015867245309

Product Code: 1650724

R933

The Keyed Laptop Lock is designed to provide reliable physical security for laptops and monitors in office, education, and shared environments. Compatible with standard security slots (3 × 7 mm), it offers a simple and effective solution to help deter theft and protect valuable devices.

Featuring a robust keyed locking mechanism, the lock ensures secure attachment and includes two precision-cut keys for convenient daily use and backup. The 360-degree rotatable lock head combined with a pivoting cable allows flexible positioning, making it easy to connect in various setups without strain.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Built with a heavy-duty 4.5 mm steel cable and a practical 1.8 m length, the lock delivers dependable strength and reach for anchoring to desks or fixed objects. Designed for quick and secure installation, it is ready to use in seconds without tools. For organizations requiring centralized control, the lock is also compatible with a master key system, available separately.
