faster productivity. Durable and always connected, it’s ready for anything.

Effortless Performance All Day Long

With up to an Intel® Core™ 7 Processor1, this Chromebook Plus lets you multitask smoothly and handle demanding tasks with ease, empowering you to stay focused and get more done, faster.

A Display that Works for You

The 16” WUXGA 16:10 300-nits display with anti-glare coating keeps content clear, even in bright conditions. The optional touchscreen adds convenience, making it easier to navigate your work effortlessly.

Google AI Built In, with Gemini

With double the speed, memory, storage2 and the power of Google AI, you can do more than ever before on Chromebook Plus. With the magic of Gemini3, enhance how you read, write, and express yourself.

Get Gemini Advanced at No Cost4

Unlock the best of Google AI with the Google One AI Premium plan. Get priority access to new features with Gemini Advanced, 2TB of cloud storage, and Gemini in Gmail, Docs, and more. Try 12 months at no cost4 with the purchase of a Chromebook Plus.

Connect Without Limits

Designed for productivity, this Chromebook Plus offers a Quick Insert Key, numeric keypad, optional backlit keyboard, Wi-Fi 71, dual USB 3.2 Gen 2 Type-C and dual USB 3.2 Gen 1 Type-A ports, and HDMI port—keeping you connected and efficient.

Hear and Be Heard Clearly

Enjoy immersive DTS Audio from dual speakers and clear calls with a triple-microphone array that reduces background noise, so your voice comes through loud and clear on every call.
