servers, virtual machines & HCI Clusters via PowerChute Network Shutdown. This On-Line UPS features Unity Power Factor for best-in-class power density. With 10 outlets and a compatibility with external battery packs, this server UPS provides uninterrupted and scalable battery power to connected electronics. The UPS can connect to EcoStruxure IT or third-party centralized management platforms. Use the intuitive LCD interface and PowerChute Business software to configure settings and monitor usage. The UPS has a 3-year warranty, and the built-in lead-acid battery has a 2-year warranty. The UPS is compatible with SRTRK4 (4-post) and SRTRK3 (2-post) rail kits sold separately. A built-in energy meter measures energy use and displays UPS efficiency in various modes of operation for easy energy tracking. Two switchable outlet groups are included for individual load management. Predictive battery management provides an estimated date of when battery replacement is recommended. Package Contains UPS, CD with software, Documentation CD, Installation guide, Removable support feet, Smart UPS signalling RS-232 cable, USB cable.
