With up to an AMD Ryzen™ 7520 C-Series processor1 and a spacious 14" 16:10 WUXGA (1920 X 1200) display, the Acer Chromebook Plus 514 is designed to empower your productivity. And with up to double the speed, memory, and storage2 – plus popular apps – you have the power to do more.

Expand Your Chromebook’s Potential

Combining up to four high performance “Zen 2” CPU cores with cutting-edge AMD RDNA™ 2 graphics, the AMD Ryzen™ 7520 C-Series processor1 in this Chromebook Plus delivers the fast boot times and responsive performance for modern productivity and collaboration apps that business Chromebook users demand.

More Power, So You Can Do More

Do more with Chromebook Plus. Double the speed. Double the memory. Double the storage2. Plus AI-powered Google and Adobe features to do more of what you love.

Crystal Clear Video Calls, Powered by AI

With a 1080p webcam and built-in AI-powered video call tools that automatically enhance clarity and lighting, cancel noise, and blur backgrounds - you’ll always look and sound your best, no matter what app you use. Mute your mic and turn off your camera with one click for added privacy and convenience.

The Apps You Need to Make Magic

Inspire your inner creator with the built-in Google Photos app on your Chromebook Plus. Get enhanced features like the AI powered Magic Eraser that easily removes unwanted distractions and an HDR effect to enhance brightness and contrast. You can also make high-quality movies with a few easy clicks using new movie creation tools.

Access Your Files, Online or Off

No Wi-Fi? No worries. With double the storage2, File sync on your Chromebook Plus keeps your Google Docs, Sheets and Slides always accessible, whether online or offline3, so you can create wherever inspiration strikes.

Designed To Be Seen

This large-screen Chromebook Plus features a 14” WUXGA (1920 X 1200) narrow bezel4 display with an anti-glare coating that lets users stay productive even in bright conditions. Navigation can be made easier and more convenient with its optional touchscreen display.

All Day Energy. All Day Doing.

DTS® Audio and a fast-charging5 battery with 12 hours6 of battery life make this 14-inch Chromebook Plus perfect for on-the-go entertainment. Take it just about anywhere without needing its adapter while you enjoy high-quality audio from the two upward-facing speakers.

Complete Connectivity

Boost your productivity with features such as an optional backlit keyboard, Wi-Fi 6E, Bluetooth 5.1, a built-in HDMI port, a USB 3.2 Gen1 Type-A port, and dual USB 3.2 Gen1 Type-C ports.

Stylishly Rugged

Worry less about your device and focus on your work. This high-performance Chromebook Plus has independently verified MIL-STD-810H7 military-grade durability.

Designed for Sustainability

Featuring recycled materials, sustainable packaging, an energy-efficient design, and EPEAT registration8, this Chromebook Plus embodies the spirit of our Earthion initiative to reduce waste across the lifetime of the device.

Less Plastic Waste in the Ocean

We use recycled ocean-bound plastic in the OceanGlass™ touchpad of this Chromebook Plus. The touchpad gives you a sleek, glass-like tactile feel as your fingers scroll across its surface.

Conserve Natural Resources

Our molded pulp packaging uses recycled paper, cardboard, and other natural fibers, offering greater sustainability benefits than traditional plastic and Styrofoam packaging.
