

Equip 24-Port Fiber Optic Splice Box, LC Duplex, OM4, 1U, Equipped, Grey

Model: 337215

Manufacturer: EQUIP

EAN: 4015867244906

Product Code: 1651158

R3,983

The equip® 337215 24-Port Fiber Optic Splice Box is a compact 1U rack-mount solution designed for efficient fiber management in high-density network environments. Equipped with LC duplex adapters, it supports OM4 multimode fiber, making it ideal for high-speed data transmission in data centers and enterprise networks.

The enclosure provides organized cable routing and secure fiber splicing, ensuring protection for sensitive fiber connections. Its pre-equipped design simplifies installation, reduces deployment time, and enables consistent performance in structured cabling systems.

Built with a durable metal housing, the splice box ensures long-term reliability and stability. The front-access design allows easy maintenance and quick access to connections, offering a practical
