Equip 12-Port Fiber Optic Splice Box, LC Duplex, OS2, 1U, Equipped, Black

Model: 337200

Manufacturer: EQUIP

EAN: 4015867244739

Product Code: 1651215

R2,699

The equip® 337200 is a 12-port fiber optic splice box for high-density fiber management in 19" racks. The 1U metal enclosure comes fully equipped with LC Duplex couplers for OS2 single-mode fiber.

It includes a sliding splice tray, coloured pigtails, fiber adapters, and a splice cassette with cover, so it is ready to terminate and protect fibre on installation. A robust steel housing and front-access design make routing, splicing, and maintenance straightforward.

Built for long-distance single-mode links in data centers, telecom rooms, and enterprise networks. Supplied with 4 sets of M6 screws and nuts; 483 × 243 × 44 mm; finished in black (RAL 9005).

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
