The Rugged Max Case is a protective cover designed specifically for your school life as a student or teacher. It provides reliable device protection while keeping all ports easily accessible. Built to US Military Standard (MIL-STD 810G-516.6), its robust construction safeguards your device from drops, shocks, and scratches. The integrated pen holder is compatible with DEQSTER Pencil, Apple Pencil, and Logitech Crayon, while the extra compartment for pen tips ensures convenient storage. The case's frame is elevated by 2 mm to optimally protect the sensitive display and camera.

The transparent back shell allows you to personalize your device by adding images, engravings, or barcodes, making it unique and tailored to your style. The secure trifold stand with a magnetic flap provides a stable support surface, allowing you to effortlessly set up your device at various angles for work.
