

LogiLink WZ0061 cable tray Grey

Model: WZ0061

Manufacturer: LOGILINK

EAN: 4052792070101

Product Code: 1652892

R2,976

Product information "Professional cable drum roller with casters and brake" from LogiLink Professional

The robust cable roller from LogiLink is a practical solution for easy winding/unwinding and transporting of cable drums up to 50 cm wide. The swivel casters allow easy transport of the cable drum on the construction site.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
