LogiLink CU0414 networking cable Black 5 m Cat6 S/FTP (S-STP) Round

Model: CU0414

Manufacturer: LOGILINK

EAN: 4052792075267

Product Code: 1652900

R942

USB 3.2 Type-C Ethernet cable, C/M to RJ45/M, 1 Gbps, active, black/grey, 5 m" from LogiLink

The LogiLink USB CAT6 LAN adapter cable is the practical Ethernet solution for all USB-C devices without their own RJ45 port. Thanks to the chipset built into the USB connector, the cable replaces the USB-C to RJ45 adapters that were previously always required. With this cable, an Ethernet connection with a data transfer rate of up to 1 Gbit/s is immediately available without any additional drivers. Connect your router, modem or network switch to the USB-C port of your laptop, tablet or smartphone. Thanks to foil shielding (FTP), the data transfer is effectively protected against interference. The textile sheath of the cable has a pleasant feel and also protects the cable against abrasive wear. High-quality and robust metal plugs with kink protection ensure a particularly long service life. The USB-C connection is compatible with notebooks from popular manufacturers such as Lenovo, HP or Dell as well as with Windows, macOS and Android. Thunderbolt3 devices such as the
