The Tornado VCHSD300GC is a high-efficiency cordless handstick vacuum built for convenience and everyday flexibility. Powered by a 300 W motor and delivering up to 80 W suction, it provides consistent performance across hard floors, rugs, and narrow spaces. The motorized roller brush, equipped with LED lighting, makes it easy to spot and lift dirt even in low-light areas like under furniture.

With three speed modes, you can optimize cleaning power and battery life: low (≥ 40 min), medium (≥ 23 min), and high (≥ 10 min). A washable H10 HEPA filter traps fine particles and allergens, while the 0.55 L dust container offers one-touch emptying for easy maintenance.

The unit is powered by a 21.6 V / 2000 mAh lithium battery and recharges in 5–6 hours using the
