LogiLink PA0350 power bank Lithium Polymer (LiPo) 20000 mAh Black

Model: PA0350

Manufacturer: LOGILINK

EAN: 4052792076301

Product Code: 1653072

R1,449

Product information "Powerbank 20,000 mAh, QC 3.0 & PD 3.0 65 W, black" from LogiLink

Experience uninterrupted power with this 20000mAh power bank that offers fast, bi-directional charging with 65W Power Delivery and Quick Charge 3.0. An integrated LCD display accurately shows the remaining charge level, while you can charge up to four devices simultaneously. With an input of up to 65 W and an output of up to 90 W, it charges both itself and your devices at lightning speed. Comprehensive protection mechanisms and the robust aluminum housing make it the ideal companion for on the go.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
