R3,918

Specifically tailored to the needs of gamers. Designed for epic gaming sessions. Dive into unrivalled comfort and style with the LogiLink gaming chair. This chair has been specially designed for gamers who want to experience hours of gaming sessions without compromising on ergonomics and comfort. Our gaming chair offers a wide seat that ensures optimal weight distribution - perfect for gaming marathons. The breathable, quilted PU leather with diamond pattern ensures a comfortable sitting experience, even when things get hot. Additional features such as the removable headrest and adjustable lumbar cushion allow you to customise the seat to your individual needs.
