

LogiLink NP0094 network junction box Grey

Model: NP0094

Manufacturer: LOGILINK

EAN: 4052792061260

Product Code: 1653336

R830

LogiLink's Consolidation Point Enclosure (CP box) is perfectly suited as small stationary distribution unit or collection point for structured cabling, whether in buildings or industrial environments. The installation is quick and easy done on walls, floors, ceilings, or in underfloor systems and false ceilings.
