

LogiLink FB0001G patch panel accessory

Model: FB0001G

Manufacturer: LOGILINK

EAN: 4052792040081

Product Code: 1653360

R1,061

LogiLink's 19" Fiber Enclosure offers a simple economic solution for the basic cabling requirements of local area networks. The sliding type housing can be equipped with industry common fiber adapters in different fibre categories and provides room for up to 48 fibres (24 ports) like LC Duplex or SC Simplex connectivity. The solid housing is suitable for direct field-termination as well as fusion splicing with pigtails. Various cable entries in the back of the housing can accommodate cable glands and has an easy to remove cover. The modular housing enables a simple exchange of different front panels and suitable adapter modules. For highest flexibility, the 19" fibre optic enclosure comes without front panel, adapters, pigtails, etc.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
