R1,121

Glass whiteboard, magnetic, wall-mounted, 60x45 cm, frameless from LogiLink

The LogiLink wall-mounted magnetic dry-erase whiteboard is a versatile and practical aid for home, office, or classroom use. Its smooth surface makes writing and drawing effortless, and the dry-erase feature allows for easy cleaning. The whiteboard's magnetic function adds an extra level of convenience, enabling you to attach important documents, photos, or notes directly to the board. With its combination of features, the LogiLink wall-mounted magnetic dry-erase whiteboard is a valuable asset for any space requiring a versatile and efficient writing surface.
