Whiteboard, 2-sided writable, 60x90 cm, on castors, aluminum frame from LogiLink

This innovative whiteboard combines mobility, functionality and a generous writing surface. Thanks to the 360° rotatability, you always have a fresh writing surface at your disposal. The smooth surface makes writing and cleaning effortless, while the magnetic function allows you to attach notes and pictures. Ideal for offices, conference rooms, classrooms, home offices or creative workshops.
