R981

Product information "Universal travelling power supply, 20 W (PD), 4x connections, fireproof, white" from LogiLink

One adapter for over 200 countries! Universal travel adapter with 20W PD is an absolute must-have for all travellers. With the latest GaN technology, it charges all devices in a fraction of the usual charging time. In addition to the USB-C port, 2 USB-A ports and an AC output are available so you can charge multiple devices simultaneously. Perfect for laptops, tablets, smartphones, headsets, power banks and many other devices.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
