Experience maximum firepower with the XSHOT Insanity Dart Storm, the largest and most powerful multi-color plastic Foam Dart Blaster in the Insanity lineup. Designed for teens and adults, this battery-powered blaster is built for extreme Outdoor play, delivering relentless rapid-fire action through dual motorized spinning barrels that keep the darts flying without pause.

Equipped with two 40-dart auto-feeding belts, the Dart Storm holds an incredible 80 darts ready to fire, blasting targets up to 90 feet away with speed and consistency. The included tripod stand provides added stability for precision control, defensive positioning, or sustained firing during intense battles.

Compatible with other XSHOT Insanity blasters and accessories, the Dart Storm supports customizable loadouts that let players connect, expand, and dominate the field. Built for power, capacity, and nonstop excitement, it delivers the ultimate foam dart experience for players who demand total Insanity.
