DataLifePlus

Verbatim's professional optical media feature tighter specifications than the standards given by the relevant standardisation bodies. Tighter specifications ensure better compatibility with writers and recorders. This results in higher recording quality, thus ensuring longer archival lifetime and better readability. You can recognise Verbatim's professional optical media by the DataLifePlus branding.

AZO Technology

AZO is patented technology used exclusively by Verbatim. It provides the ultimate resistance to UV light for increased protection and reliability.
