Model: 2807

Manufacturer: HP

EAN: 4030152028078

Product Code: 1654774

R7,324

In Cross Cut, the powerful HP OneShred 24CC shreds up to 24 A4 sheets at a time, making it the highest capacity shredder in HP's OneShred range. With particle cutting, the modern document shredder shreds your sensitive company data into 4 mm x 35 mm small shreds and thus meets the high requirements of security level P-4. These features ensure the DSGVO-compliant destruction of personal data, which is why this hard-working helper is a quintessential feature of any open-plan office. If you have not used the shredder for more than 30 minutes, it automatically switches to sleep mode and has a reduced power consumption of only 0.5 watts.
