3M™ Hang Tab 1075 tabs are great for hanging shrink-wrapped packages and in-store repair of damaged packaging, such as torn punches in chipboard header cards. Merchandise remains stocked while eliminating unnecessary and messy clutter from damaged packages. These tabs allow products to hang for easy visibility or provide an attractive facing when displayed on shelves.

- Pressure sensitive, synthetic rubber adhesive sticks instantly to shrink-wrapped packages, cartons and most packaging surfaces
- Polyester backing resists abrasion, splitting and edge tear
- Clear tape won't obscure packaging copy, brand messaging or graphics
- Pre-stacked pads allow for easy application and portability
