Product Code: 1656133

R1,264

Display window at a glance

The Smart View Wallet Case lets you access the interactive display of your Galaxy S23+ phone without opening the cover. Available in a variety of shades, the case combines protection, style and convenience.

Just simple taps will do

You can tap the display window to perform basic functions like answering the phone or pausing the music even with the cover closed.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Carry your everyday essentials safe with your phone

The Smart View Wallet Case lets you slide in your frequently used card inside, so you can keep it handy and safely hidden.

We turn waste into valuable resources

While protecting your phone, you are also saving the environment. You can help preserve the Earth's precious resources by purchasing our product made with UL-certified recycled and bio materials.
