The Lava Monster is absolutely terrifying! This giant stands tall on its mighty legs, looming over its opponents. Its body looks as if it were made of glowing chunks of lava! With its huge claws, it can simply crush its enemies. What's that the Lava Monster is holding? It's a glowing lava rock! Let’s get out of here!

Oh no, what's that horrible sound?! The massive Lava Monster comes stomping along with a thundering stride. With every step, a flame flares up, leaving clouds of smoke behind. The Lava Monster really lives up to its name! It looks just like lava, shaped into a horrifying giant that spreads fear across the land. Whatever you do, don't mess with this hot-headed inhabitant of the Lava World!
