A little reminder? Use My Finder!

Misplaced wallets, bags and other valuables are a thing of the past with Verbatim's My Finder Card Bluetooth Tracker. Simply place the My Finder card in your wallet or bag that you need to keep track of and you can locate the item on the map through the Find My App on your iPhone, iPad and MacBook or sound the buzzer if you think it is near you.

Within the app’s Lost Mode, you can enter your contact details in the event that your missing item is located by someone else in the Apple Find My network.

Locate by sound or map

Utilising the Apple Find My ecosystem, you can easily track your item’s location. If you are in close range, select “Play Sound” in the app and follow the beep to find your lost item. Alternatively, select your missing item in the app and locate it on a map. The whole process is anonymous and encrypted to protect your privacy.

Wireless rechargeable battery

The My Finder Card has no need for batteries to be changed or special cables. The internal rechargeable battery lasts up to 60 days on a single charge, so you don't need to worry about charging it every week. Once it does need charging, it is easily done via a wireless charger. With IP66 protection the My Finder is water-resistant and dustproof for durability.

Smart Notifications

With smart notifications enabled by default, you’ll receive an alert on your phone when your My Finder is out of your Bluetooth range. Slip it into your wallet or place it into your laptop bag or backpack so you don’t walk out the door without them.

Never lose your wallet, backpack or luggage again!
