

LogiLink BP0085 signage display mount 3.81 m (150") Black

Model: BP0085

Manufacturer: LOGILINK

EAN: 4052792057508

Product Code: 1658895

R5,490

With the LogiLink multifunction cart, you can easily mount your TV monitor and adjust the height without having to drill holes in the wall. The BP0085 is a classy and perfect solution for presentations in the office. With the four lockable heavy duty castors, the BP0085 allows you to place your TV in the room easy and comfortable. The wide and robust shelf also allows you to store game consoles, laptops or other accessories up to 20 kg.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
