

APC IEC309/IEC309 6m Black

Model: PDX332IEC-600

Manufacturer: APC

EAN: 731304258414

Product Code: 1658961

R8,701

APC Modular Power Accessories , Input: 230V , Input Connections: IEC 309 32A 2P+E , Output: 230V , Output Connections: IEC 309 32A (2P+E).

- Low Cost Power Distribution

Provides a number of outlets to bring power to rack equipment at an affordable price.

- System mobility

PDU equipment can easily be relocated to accommodate a changing data center environment.

- Multiple distribution options

Superior design flexibility enables a wide range of customer requirements to be addressed.

- Meets UL Requirements

- High Power Density

- Safety

Enhance user safety with isolation at all touch points and with positive locking mechanisms that reduce the risk of accidental disconnection

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
