

APC Easy PDU Metered Zero U 11 kW 230V (21) C13 (3) C19 IEC309

Model: EPDU2216M

Manufacturer: APC

EAN: 731304761228

Product Code: 1659004

R21,092

Schneider Easy Metered Rack PDU EPDU2216M is Easy-to-install and easy-to-use PDU, making rack power distribution easy and intelligent. This provides real-time remote monitoring, power management of connected loads, and much more features than the average power strip. EPDU2216M has IEC 309 16A 3P+N+E type inlet, Twenty one IEC C13 and three IEC C19 type outlet sockets. This is vertical rack mountable PDU in ultra light weight and smart, multifunctional new designed display. Easily mounts vertically in racks or enclosures and occupies zero U of valuable rack space, which allows more equipment in the rack. Full-featured user friendly network management web interface provides standards-based management via Web, SNMP, and Command Line Interface. Allows users to access, configure, and manage units from remote locations to save valuable time. Indicates overload and warning conditions based on the user-defined alarm thresholds. Alerts users of potential overloaded circuits. Quickly and easily upgrade firmware via network download for future product enhancements. Eliminates the need to replace products already
