LogiLink CP2305S networking cable Grey 305 m Cat6 S/FTP (S-STP)

Model: CP2305S

Manufacturer: LOGILINK

EAN: 4052792027136

Product Code: 1659555

R3,338

Patch cable PrimeLine, Cat.6, S/FTP, grey, 305 m" from LogiLink Professional

By having multiple small wires instead of a single solid conductor, LogiLink’s stranded Cat.6 cable is very flexible, making it preferable for short distance cable runs. Our shielded stranded Cat.6 cable features foil shielded twisted pairs, protecting the conductors from electromagnetic interference (EMI). The stranded bare copper conductors form 27 AWG diameter foil shielded twisted pairs. This makes it perfect for flexible solutions like making patch cords in needed lengths.
