InLine Self Closing Sleeving, black, 25mm diameter, 2m

Model: 59992C

Manufacturer: INLINE

EAN: 4043718262595

Product Code: 1660488

R2,381

InLine® self closing sleeving in black with polyester braided sheat. The combination of woven polypropylene (PP) as a jacket and a polyester fabric hose inside makes this cable duct very light and easy to use. The advantage of the cable duct is its very low weight, high flame resistance, high abrasion resistance and good thermal insulation. Depending on the application, these 2 self-locking cable ducts can also be used independently, so you can easily double the length of the cable duct.
