

Bosch EasyImpact 600 3000 RPM 1.7 kg Black, Green

Model: 603133000

Manufacturer: BOSCH

EAN: 4059952576305

Product Code: 1661410

R1,689

Ideal for effortless precision drilling in several materials

The EasyImpact 600 enables comfortable precision drilling in masonry, wood, soft concrete, and metal. A keyless twin-sleeve chuck provides fast and easy drill bit changes with a simple spindle twist. It features Electronic Speed Control, delivering the correct speed for the material through the pressure-sensitive trigger. Ergonomically designed, it is lightweight at only 1.7 kg and compact for effortless overhead drilling. A 600 W motor ensures reliable results in several materials, allowing for drilling diameters of up to 12 mm in masonry and up to 25 mm in wood.

Difficulty level

Easy

Focused on simplicity

For small to medium-sized tasks
